1) the submission of applications – from January 30 till February 26, 2019;
admission examinations – from January 31 till February 4; from February 12 till February 15; from February 27 till February 28;
enrollment – no later than March 1, 2019.

2) the submission of applications – from July 10, 2019;
enrollment – no later than November 1, 2019;

3) Applying for a specialty 221 “Dentistry”:
the submission of applications – from July 10 till September 12;
admission examinations – from August 27 till September 11;
enrollment – no later than September 12.

In order to enter Ukraine during this period, the basis for the issuance of an entry visa for the purpose of study is the original of the invitation and visa support provided by the Ministry of Foreign Affairs of Ukraine at the request of the Ministry of Education and Science of Ukraine.

The deadlines for the submission of offered courses to the Data Base defined in paragraph 7 of section XV of these Rules of Admission are not applicable for acceptance of such foreigners.

For admission to study at the University, foreigners submit the following documents:

- a) the application for admission;
- b) education document with level of academic achievement (original and a certified copy);
- c) a health certificate certified by an official health authority of the country from which the citizen arrived and issued not later than two months before departure to study in Ukraine;
- d) Emergency Medical Insurance (except for foreigners who arrived from countries with which the free-of-charge emergency medical care arrangements were concluded);
- e) A national passport with notarial certification of the document's translation;
- f) 6 color photographs 60x40 mm;
- g) A certificate of successful completion of pre-university courses (if available);
- h) Academic Reference (for students transferred from other HEIs).

The documents specified in subparagraphs "b", "c" must be certified in accordance with the legislation of the country of their issuance and legalized in accordance with the established procedure, unless otherwise is provided by international agreements of Ukraine.

ZSMU calculates points/assessments of an enrollee on the basis of the previous education level and sets the minimum number of points/grades for general subjects which are admission examination disciplines – no lower than 6 points on a 12 point scale (in accordance with the Methodology for calculating the average grade of the document on the previous educational level, approved by the Academic Council (Minutes No. 10 dated May 30, 2016).

Enrollment of foreigners for an appropriate level of higher education is based on the results of admission examinations on specified subjects and language of studying and on the basis of academic rights for continuation of education, provided by the document on the acquired level of education in the country of its origin, and taking into account the success rates that give the right to continue education on the next level of higher education in accordance with the legislation of the country that issued the document on the acquired degree (level) of education.

Foreigners who apply to the International (preparatory) faculty of the ZSMU are enrolled without admission examinations.

Foreigners who apply to the II International Faculty (the first year of studying) participate in the competition on the results of admission (oral) tests on subjects:

- 1) Ukrainian (Russian, English) language;
- 2) Biology, Chemistry, or Mathematics.

Assessment of answers is carried out according to a scale from 100 to 200 points based on the criteria of evaluation. The competition score is calculated as the sum of points from two competitive subjects.

After completing the preparatory faculty, foreign citizens are enrolled in the University for first year of studying on the results of admission examinations on the subjects specified in the preceding paragraph.

In case of enrolling foreign citizens from other institutions of higher education or when they resume their studies, they undergo admission examinations on subjects in accordance with the specialty and course.

Foreign citizens can submit no more than three applications to compete for offered courses. By decision of the Admission Committee, the results of the admission examination for a certain offered course can be credited for participation in the competitive selection for another course in the ZSMU (in the case of coincidence of competitive subjects).

4. All categories of foreigners, who enter for studying, enroll to ZSMU on the basis of enrollment orders that are formed at Data Base.

5. Foreigners who receive state scholarships under international agreements, national programs and other international obligations of Ukraine are admitted to study in the University within the established quotas for foreigners on the basis of the distributions performed by Ministry of Education and Science of Ukraine.

6. Foreigners who come to Ukraine to participate in academic mobility or higher education programs, agreed upon between Ukrainian and foreign higher education institutions, are enrolled taking into account the corresponding contractual obligations of the corresponding institutions of higher education.

7. Foreign Ukrainians who legally stay in Ukraine and whose status is certified as a foreign Ukrainian, while enrolling to higher education institutions of Ukraine have the same rights for education as the citizens of Ukraine, with the exceptions established by Constitution of Ukraine, the laws of Ukraine or international agreements, the mandatory status of which is confirmed by Verkhovna Rada of Ukraine.

Foreign Ukrainians, whose status is certified as a foreign Ukrainian, may be enrolled for budget-funded studying within the established quotas for foreigners, having passed the procedure of interviewing on subjects established by these Admission Rules.

8. Foreigners and stateless persons permanently residing in Ukraine, persons who have been granted refugee status in Ukraine, and those who need additional or temporary protection and enter higher education institutions in accordance with the rules provided by these Rules of Admission for citizens of Ukraine, can participate in competitive selection for budget-funded studying within the quotas established by Cabinet of Ministers of Ukraine on the basis of special competitive score, calculated as the ratio of the enrollee's competitive grade, determined in accordance with paragraphs 6 and 8 of section VII of these Rules of Admission, to the minimum competitive grade providing recommendations for budget-funded studying in accordance with general competition for this position in previous year (in case of absence of such grade a similar score for another, most related, competition proposal

within higher education institution is used, in case of impossibility – another institution of higher education by decision of the Admission Committee).
